## **Credit and EBT/Food Stamp Process and Rules:**

### The Credit Card/EBT Card Process:

- Customers with Credit or EBT cards decide how much money they would like to spend at the market.
- Customer visits the Lincoln Park Farmers Market booth at the market and tells the staff person how much he/she wants to spend. Co-op staff processes card transaction for that amount.
- Customer is giving wooden tokens in \$1 increments for the amount he/she has chosen to spend. Tokens will be marked with “EBT” or “Credit” to differentiate.
- Customer spends tokens with any participating vendor in whole dollar increments only. Vendors are encouraged to round up/round down or adjust quantity of food to best match whole dollar increments.
- Vendors can give users of credit card tokens change in cash if requested. EBT token users **cannot** receive change.
- Customer can save unspent tokens to be used at future date. EBT customers have the option of returning to the Co-op both and refunding their tokens.
- Vendor turns in all tokens at the end of the market day to the market manager in an envelope/bag provided by the market manager. Vendors are recommended to keep their own records of total tokens redeemed each day.
- Vendors will receive a check from the Friends of Lincoln Park Farmers Market for the total amount of Credit and EBT card purchases monthly.

### Additional Vendor Instructions for Accepting EBT/Food Stamps:

- **EBT/Food Stamps can buy:** vegetables, fruit, dairy products, meat, eggs, bread, jam, and pastries. They may also buy seeds or plants that produce food (i.e.: tomato or parsley plants). Flowers, shrubs, and other non-edible plants cannot be purchased with EBT/ Food Stamps.
- **EBT/ Food Stamps cannot buy:** hot food, cut flowers, decorative plants, pet food, or non-food items. These items may be purchased with a Visa or Master Card.
- It is ILLEGAL to exchange cash for food stamp benefits.
- Vendors who are authorized to accept EBT/Food Stamps must display the EBT sign provided, identifying the vendor’s stall as an authorized EBT vendor.

### Additional Vendor Instructions for Credit Cards:

- No customer may charge his/her card for an amount greater than the value of the products being purchased.
- No vendor will require a credit card minimum or charge any fees or penalties to customers for using a credit card.
