Re: Memorial Day Parade

The annual Memorial Day Parade will be held on Sunday May 20<sup>th</sup>, 2018 at 1:00 pm. The parade will proceed s/b on n/b Fort Street (M-85) from White Street to Merrill Street. North bound Fort Street traffic will be diverted east bound on Pagel Avenue to Ferris Street to Southfield Road. No Parking will be allowed on Pagel, Merrill, Stewart, Park, White, Electric and Ferris Streets from 8:00 am Sunday May 20<sup>th</sup> until the parade is concluded.

The muster area, where the parade will assemble, is on Electric Avenue from Southfield Road to Park Street from Ferris Street to Fort Street. The muster area may cause some brief parking problems. We are asking for your cooperation, by having all vehicles removed from the street on Sunday (May 20<sup>th</sup>) morning by 8:00 am. After the participants leave your street, you may resume normal parking.

The Lincoln Park Police Department would like to thank all citizens for their cooperation in this matter. We apologize for any inconvenience that our efforts to provide public safety to our community during the Memorial Day Parade may cause you.
