Volunteers Needed for the Community Tree Planting Event in Council Point Park, Lincoln Park, Saturday, June 5, 2021

May 25, 2021 – Lincoln Park, MI -- ReLeaf Michigan, a statewide non-profit tree organization, in partnership with the City of Lincoln Park, the Lincoln Park Green Team and the Michigan Department of Natural Resources – Urban and Community Forestry Program is looking for volunteers to help plant 20 trees at Council Point Park, 3213 River Drive on Saturday morning, June 5th.

The group will meet in the parking lot of Council Point Park, 3213 River Dr., Lincoln Park, MI 48146 at 8:45 a.m. to sign-in, enjoy refreshments, and watch a planting demonstration with ReLeaf Michigan's experts.

Covid protocols will be followed. Masks are required. Volunteers are asked to wear closed-toe shoes, comfortable clothing and bring a shovel and gardening gloves if they have them. Event occurs rain or shine. No planting experience is necessary. Join us for the morning and leave an environmental legacy that will add to the beauty of your community for generations. We hope to see you there!

Trees provide incredible benefits to the communities in which they are planted. Trees improve air and water quality, reduce stormwater runoff, improve mental wellness, reduce rates of childhood asthma, cool our neighborhoods and enhance the commercial and economic vitality.

ReLeaf Michigan, a 33-year-old non-profit organization, partners with communities statewide to replenish community tree canopies through volunteer tree planting events.

Where: Council Point Park, 3213 River Dr., Lincoln Park, MI 48146

When: Saturday, June 5, 2021 from 8:45 a.m.-12:00 p.m.
